TUNNEL CAMPS IN PRAGUE

HOW THE TYPICAL CAMP DAY LOOKS LIKE?

In the morning we leave the hotel located 15 minutes from the windtunnel! ✈️

During the day, you can expect to spend your time before the session preparing and talking through technique and theory. You will be spending all of your time in the tunnel with an experienced coach. This enables you to have the most effective learning available. After each flight, you can see your flight on the screen next to the flight chamber, at the end of the flying session we will debrief with video, talking about good things from the session and improvements for the next.

In the evening we can go for a little bit of sightseeing in Prague and taste the czech beer! ;)

YOUR SKILL LEVEL. ✈️

We are able to customize camps to any skill level, we can organise a camp that suits your needs and flying abilities.
